Subject: A new way to pay your rent by credit card

Preview: Pay your rent with Pay & Earn and earn points along the way.

Body:

Hi [First Name],

Want to pay your rent with card? With **Pay & Earn**, you can pay your rent by credit card through a simple, secure platform while earning points on your payment.

Join for free here, search for us and make or set up recurring payments through the platform.

Pay rent. Earn points.

When you pay your rent with an eligible rewards credit card through Pay & Earn, you can earn:

Your usual credit card reward points plus PAE Points on top

So a payment you already need to make could help take you closer to your next reward.

And it's not just for rent.

You can also use Pay & Earn to pay a range of everyday household bills, including electricity, gas, phone, internet, insurance, council bills and more.

Turn your PAE Points into something more

Earn PAE Points on eligible payments and redeem them for rewards including **flights, experiences, gift cards and more**, with exciting reward partners coming soon.
